Respected Sir,

Sub: Supply of Stores-reg

There is an acute shortage of TSF Kits, Jumper Wire in the field. It is causing much inconvenience to our staff in attending cable faults. And also there is a shortage of HMTs in all the SSAs. Our outdoor staff are facing hardships in rectifying faults without HMT. This issue is a long pending issue to be resolved. If there is no supply from Corporate Office, permission may be given to procure HMTs in local. We request you to take needful action in the matter at an early date to avoid inconvenience in respect of field staff.

With regards,

Yours faithfully
