BSNL  
Telangana Circle

Respected sir,

**Sub: FTTH-Outsourcing in Warangal and Khammam SSAs-request  
for intervention-reg.**

\*\*\*\*\*

We wish to bring the issue to your kind notice for needful action. The PGM Warangal have started a new methodology for providing FTTH Connections through outsourcing with a Cable Contractor at Warangal. It is surprising to know that the said Contractor is diverting our BSNL land connections into FTTH. It is resulting that our equipment and existing field staff are becoming idle. We apprehend that the PGM is closing our land connectins and encouraging outsourcing with back door methods. Now the PGM is proposing to implement the same method in Khammam SSA also.

At Sangareddy our field staff are providing FTTH connections without any problem and now they stood first in the State. Then we could not understand the own method of PGM Warangal at this juncture. The outsourcing system always encourages corruption. It is not advisable at the moment of development stage of BSNL in Telangana Circle.

Hence we ~~we~~ request you to kindly have a serious thought in the matter and stop the outsourcing of FTTH in Warangal.

Wtih regards,

Yours faithfully

  
A. RAJAMOULI/  
CIRCLE SECRETARY
