Subject:- Grant of one increment to post 2007 non-executive employees in the analogy of Junior Engineer (Previously TTAs) – reg.

Respected Madam,

It is submitted that the TTAs were granted one increment to offset the wage loss which accrued due to implementation of second wage revision agreement. However, similarly placed employees viz RMs, TMs etc were left out. The union pointed out the discrimination and persued the matter vigorously. The management agreed to address the discrimination and a proposal for grant of one increment was sent to the Management committee long ago and thereafter was referred to Board for approval. Sufficient period has elapsed since then but the matter is still unresolved. The employees continue to face discrimination.

We, therefore, request you to please use your good offices so that the long pending demand is resolved at the earliest.

With regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
