### Resolution

#### Wage revision in BSNL:-

A meeting of National Forum of BSNL unions and Association took place on 24<sup>th</sup> May, 2017 at NFTE (BSNL) HQR under the Chairmanship of Comrade V. Subburaman. The issue of 3<sup>rd</sup> PRC was discussed in detail and resolution adopted.

The meeting noted that the PSU BSNL is on the path of revival and it is in operational profit. Its financial health earlier deteriorated as it was not permitted by UPA(II) Govt to procure equipments and materials.

The wage revision of employees is due from 01-01-2017 i.e after a gap of 10 years. The employees absorbed in BSNL as well as directly recruited staff are anxious and eager for early wage revision and becoming restive day by day. The BSNL board has reportedly written to DOT i.e. administrative ministry to give 15% fitment to its workers in revision of pay structure and ready to bear the financial burden from its own resources and without budgetary support from the Govt.

The meeting has come to know that the Cabinet Secy has interacted with the various departments including DOT for issuance of guidelines by Department of Public Enterprise.

The meeting has therefore resolved to approach to Central Trade Unions to impress upon the DPE not to incorporate any restrictive condition in guidelines for wage revision and PSUs like BSNL be allowed to do wage revision for its work force not only to motivate them but in the interest of industrial peace also.
