Sub: Pending medical bills for more than 2 months - reg

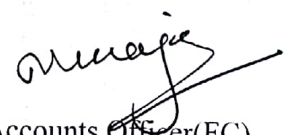

On review of MRS programme, it is observed that **292** medical bills which are more than two months old are pending for settlement. PGM(F) has viewed the situation seriously as the enpanneled Hospitals are bitterly complaining regarding non-settlement of their claims. In this connection I am directed by the competent authority to intimate that all the bills which are more than two months old may be settled on priority basis by **23-10-2017** and see that in future no bill is pending for more than two months.

II. It is also observed that the programme is not validated with date of payment in respect of the cases settled and conveyed sanction from this office. Hence it is requested to update/ validate the programme immeidately after making payment.

III. A compliance report in this regard may be subimitted for the aprisal of CGM.

Matter may be given utmost importance.

Encls: Report enclosed.
