**Subject: Conduction of Online Examinations in BSNL (Internal as well External) – Use of Mobile Jammers - regarding.**

No: - 22-01/2017-Rectt.

Dated: - 15.06.2018

Recruitment Section is conducting various online examinations in BSNL (Direct Recruitment from Open Market as well as Internal Promotional examinations).

During recent past, some incidences of paper leakage/malpractices have been reported through media in whole Country. To curb such paper leakage/malpractices during BSNL examinations, a proposal is initiated to use Mobile Jammers during the BSNL Direct Recruitment Examinations. Mobile Jammer is used to block the mobile signals in a particular area. This technology can be used in the examination center area to avoid leak of questions through mobile data (WhatsApp, email, Snapchat etc.).

It has been decided to use Mobile Jammers at Vijayawada, Ahmedabad, Bangalore, Thiruvananthapuram, Mumbai, Chandigarh, Jaipur, Chennai, Lucknow and Meerut Centers during future Direct Recruitment Examinations.

Hence you are requested to get the procedural requirements for implementations and related challenges in the field from local authorities and send a proposal on "Procedure for Implementation of Jammers in the Circles" to Recruitment Section within 15 days of issue of this letter.

This is issued with the approval of The Competent Authority.
