* * *

As you are aware that due to non-receipt of cash drawl authorisation for pay bill recovery (LIC) from Corporate Office in-time, the remittance of LIC recovery amount to LIC office is getting delayed there by affecting the policy holders welfare.

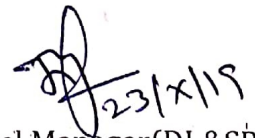

As per LIC terms and conditions, if the premiums are not paid regularly with in the grace period of seven days, policy will get lapse there by affecting the risk coverage of the employees.

Considering the above, it has been proposed and decided to discontinue recovery of LIC premium amount from the pay and allowance of the employees with effect from the salary month of October' 2019 onwards.

Details regarding remittance and any clarifications may be obtained from concerned pay section.

Hence, you are hereby requested to convey the same to all the staff with an advice to ensure the payment of premium is done directly by them by the scheduled date, by giving wide publicity among the staff.

This has got the approval of competent authority.
