Subject: Implementation of VRS, 2019 – Schedule of works for acceptance of options and settlement of benefits.

Sir,

I am directed to invite your attention to the Voluntary Retirement Scheme, 2019 and instructions issued from this office in the matter regarding implementation of the scheme and settlement of benefits to the employees retiring thereunder.

2. As per reports available in this office, updation / verification of service books and ERP data verification have since been completed in most of the cases. The IT systems being enabled for acceptance of options of employees and processing of pension cases are also expected to be operational very soon. It is also understood that all officers and staff involved in the matter are sensitised and they are making their best efforts to rise to the occasion and complete the works in time. It is, however, felt that in order to complete the task in time, it is necessary to identify the critical activities and set target dates for their completion.

3. Accordingly, and as per instructions of CMD, BSNL, a schedule of critical works along with target dates and responsibility points has been prepared and attached herewith for your kind reference. You are requested to kindly have the works planned accordingly and issue necessary instructions for completion of the tasks as per the schedule by ensuring adequate manning of staff required for the purpose.

Encl. As above.

Yours faithfully,

(Sheo Shankar Prasad)
