To

The Chief General Manager Telcom,  
BSNL Telangana Circle, Hyderabad.

Respected Sir,

Sub: Transfers in the cadre of group-'C',  
deputation of clerical staff to HTD to work in CSCS.

Ref: TT/STC/2-3/GR-C&D/2020-21/20  
Dated at HYD the 14-5-2020.

In Continuation of my discussion with your kindness on 14-5-2020 and subsequent transfer orders issued yet. Once again, we strongly protest against the attitude of the circle management. Further, NFTE BSNL circle express the following view point in the regard.

1. Circle office is a separate SSA and not a unit office working under PGM HTD. The Clerical staff of circle office has a separate entity.
2. There is no proper planning on the part of HTD management for utilization of available clerical staff working under them after VRS-2019 instead, the

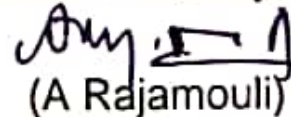

management is landing every time on circle office for their clerical staff requirements and circle management is yielding to their request without caring for the requirements in circle office, which is running with skeleton staff after VRS-2019, deviating from all the established norms and rules in respect of clerical staff working in circle office keeping a side, the technical staff who were dumped in circle office without requirement of them, which is most undesirable on the part of circle management.

The above deputed officials have already worked in Vijayawada for 2years and came back to Hyderabad and joined in circle office last week only.

Hence, I request you kindly review the matter and do justice to them.

Thanking You,

Yours Faithfully,

  
(A Rajamouli)
