All the participants took part in the deliberations and expressed their views elaborately on the important issues. The leaders expressed their deep anguish and resentment over the non-disbursement of salary on the due date. They severely criticised the attitude of the BSNL Management in making disbursement of salary to the employees, as their last priority.

The intolerable delay in BSNL's 4G launching and the resultant setback in the revival process of BSNL, was discussed with utmost concern. The total failure of the BSNL Management in the timely upgradation of BSNL's 4G compatible BTSs and also the roadblocks being created by the government, in BSNL's procuring 4G equipments from global vendors, came under severe criticism. It was pointed out that, the non-payment of various dues to BSNL by the DoT, running into thousands of crores of rupees, is further worsening the Company's financial woes.

The complete failure of the cluster-based outsourcing to inexperienced vendors at exorbitant rates, resulting in massive surrendering of BSNL's landline and broadband connections, as well as the draining of BSNL's funds, was also viewed with serious concern. Various other aspects, connected with the BSNL's revival, as well as grievances of the employees like superannuation benefits of the directly recruited employees, E-2, E-3 pay scales issue, 3rd Pay Revision, Stagnation and new Promotion Policy for the Non-Executives were raised and were discussed.

Serious discussions took place on BSNL Revival related issues like, **i)** Neglect of transmission network & backhaul resulting huge surrender of FTTH connections, **ii)** Tardy progress in monetization of land assets & clearing the debts, **iii)** excess payment of Pension contribution.

After detailed discussions, it was decided to hold a physical meeting of the AUAB at New Delhi on 01.07.2021, wherein the charter of demands and programme of action are to be finalized, after further discussions. With the view to forge broadest unity, it was also decided to invite all the applicant unions and associations for this meeting.
