Sub: Implementation of revised CGHS rates in BSNL – reg.

General Secretary, BSNLEU has pointed out that in many Circles the revised CGHS rates are not being implemented. As per the BSNLMRS policy, reimbursement of indoor claims are restricted to CGHS rates as applicable at that time. It has been pointed out that some offices are still following the CGHS rates notified in 2010, whereas revised rates have been notified in 2014.

CGHS revises rates from time to time and notifies its rates on its website. All offices dealing with reimbursement of indoor claims update themselves from the CGHS Website from time to time and apply rates as applicable.

This issues with the approval of Competent Authority.
