Letter No. BSNLCO-A/16(11)/2/2022-ESTAB

Dated: 17.05.2024

To

All Heads of Telecom Circles/Core Networks
& Other Administrative Units,
Bharat Sanchar Nigam Limited

Sub: Inter circle transfer of JTOs(T) /JE(T) under Rule 8 of BSNL Transfer Policy - regarding

With regard to the subject mentioned above, vide this office letter of even number dated 14.11.2022, it was conveyed to all Circles that Rule 8 Transfers from Surplus to Deficit circles are to be done irrespective of Rule 8 waiting list number; transfers from Deficit to Deficit circles may be decided by CGMs of Deficit circles based on the vacancy position of JTOs/ JEs vis a vis respective sanctioned strength with the condition that the working strength in any circle post transfer does not exceed its sanctioned strength; **Rule 8 Transfer to Surplus circle shall not be allowed under any circumstances**, therefore, while considering Rule 8 transfers, the requests in the waiting list for surplus circles may be ignored. However, recently it has been observed that some circles are not following these instructions scrupulously. Further, some circles are bypassing online portal for the Rule-8 Transfer in ERP and accepting/forwarding Rule-8 transfer applications out of ERP system. These violations have been viewed seriously by the senior management at the Corporate Office.

2. In the regard, it is to convey that henceforth all Rule-8 Transfer applications shall be processed only through online portal created in ERP and there shall be complete ban on processing of any application out of the ERP. Further, while processing the applications, all Circles shall strictly follow the policy and instructions issued by Corporate Office. **Any violation of process or the policy shall be viewed seriously by this office.**

This issues with the approval of the competent authority.

17.05.2024

(M. Manitombi)

Asstt General Manager (Estt. -IV)
